Prompt: Class ify the customer feedback : I am demanding a full refund . Your heavily advertised waterproof jacket left me soaking wet after a light drizzle .

Generated: *Here's a classification of the customer feedback, broken down into categories: **1. Sentiment:** **Negative** - The customer is clearly unhappy and expressing dissatisfaction. **2. Type of Feedback:** **Complaint** - This is a direct expression of a problem and a request for resolution. **3. Specific Issue:** **Product Defect/Failure** - The core issue is that the product (waterproof jacket) failed to perform as advertised (waterproof). **4.*
