Prompt: Class ify **tone** : Oh great , another software update that
breaks my printer right before a deadline .

Generated: *The tone is **frustrated and exasperated**. Here's a breakdown of why: * *"Oh great"* - This is sarcastic. It doesn't express genuine enthusiasm, but rather the opposite. * *"another"* - Implies this is a recurring problem, adding to the frustration. * *"breaks my printer"* - Highlights a concrete, negative consequence. * *"right before a deadline"* - Emphasizes the *timing* of the problem, making it significantly worse and more stressful. Overall, the statement conveys annoyance, helplessness, and a sense of being unfairly inconvenienced.*
