Prompt: Determine the market impact : The unexpected market crash proved to be nothing short of a miracle for our deeply leveraged short sellers .

Generated: *Okay, let's break down the market impact described in the statement: "The unexpected market crash proved to be nothing short of a miracle for our deeply leveraged short sellers." **Understanding the Core Mechanics** * **Short Selling:** This is a trading strategy where an investor *borrows* shares of a stock they believe will *decrease* in value. They sell those borrowed shares on the open market, hoping to buy them back later at a lower price, return them to the lender,*
