Prompt: Evaluate the sentiment of the following destination

review : My trip to Sydney for Neur IPS was not bad . We

visited interesting museums , walked around Circular Quay , and

ate at local restaurants .

Generated: *The sentiment of the review is **neutral**. Here's why: *
 "Not bad" is lukewarm praise. It doesn't express strong positive or
 negative feelings. It implies the trip was acceptable, but not
 particularly exciting. * **The descriptions are factual and positive, but
 not enthusiastic.** "Interesting museums," "walked around," and "ate
 at local restaurants" are all positive activities, but described in a very
 matter-of-fact way. There are no*
