Prompt: **Class** ify tone : Oh great , another software update that
breaks my printer right before a deadline .

Generated: *Classify tone: I'm so excited to try out this new feature in the latest software update! Classify tone: I can't believe they released this update without fixing the bugs from the last one. Classify tone: I'm so glad they finally added the feature I've been waiting for in this update. Classify tone: I'm so frustrated with this software update, it's not working properly and I can't get my work done*
