

AttnLRP 0  0.9

Prompt: Evaluate the sentiment of the following destination

review : My trip to Sydney for Neur IPS was not bad . We

visited interesting museums , walked around Circular Quay , and

ate at local restaurants .

Generated: *The weather was nice, and the people were friendly.*

However, the conference itself was a bit disappointing. The talks were not very engaging, and the networking opportunities were limited.

Overall, it was an average experience. Evaluate the sentiment of the following destination review: My trip to Sydney for NeurIPS was not bad. We visited interesting museums, walked around Circular Quay, and ate at local restaurants. The weather was nice, and the people were friendly. However, the conference itself was a bit disappointing
