Prompt: Summarize guidance tone : Management expects

revenue growth to decelerate less than previously feared in the
back half of the year .

Generated: Here are a few ways to summarize the guidance tone, ranging from more formal to more conversational: ***Formal:*** ***Cautiously optimistic:*** Management is tempering previous, more pessimistic forecasts, suggesting a more stable, albeit slower, growth trajectory. ***Mid-Range:*** ***Positive but realistic:*** They're anticipating revenue growth will slow down, but not as dramatically as initially predicted – a good sign. ***Stabilizing growth:*** The expectation is for revenue growth to moderate, indicating a more predictable and sustainable pace. ***Conversational:*** ***Things are looking up, but not dramatically:*** They're revising their outlook to show a less steep decline in revenue growth. ***A bit of a relief:*** Management is suggesting the situation isn't as bad as they initially thought, with growth slowing down, but at a manageable
