Prompt: Class ify **tone** : Oh great , another software update that breaks
my printer right before a deadline .

Generated: *The tone in this sentence is **frustrated** and **exasperated**.*

*Here's a breakdown of why: * **"Oh great"**: This immediately signals annoyance and a sarcastic reaction to bad news. * **"another"**: Implies a pattern of similar frustrating experiences. * **"breaks my printer"**: Highlights the inconvenience and problem. * **"right before a deadline"**: Adds a layer of stress and urgency, intensifying the frustration. It's a pretty strong expression of annoyance! Would you like me to analyze another sentence for tone?*
