Prompt: Determine the market impact : The unexpected market crash proved to be nothing short of a miracle for our deeply leveraged short sellers .

Generated: The market impact was significant, as the crash wiped out a substantial portion of the value of our short positions. This was a major blow to our investment strategy, as we had been relying on the market to continue its upward trajectory. The market impact was also a major setback for our overall investment strategy, as it disrupted our plans and forced us to make quick decisions to mitigate the losses.
